

Upon clearing customs at the airport or travelling across the Canadian border, tell the customs officer that you have **'goods to follow'**. Present the completed B4E document and your packing list. The officer will likely stamp these documents and give you a B15 form (landscape document with a blue border). Keep ALL these forms for final customs clearance after your shipment arrives.

On line 1, simply write "See attached mover's inventory." No need to list everything in your shipment as you have a packing list.

No need to list values unless requested by customs.

All conveyances MUST be eligible for importation in accordance with Transport Canada requirements. Vehicle import registration fees may also apply.
